Our Mission: to Champion a Unique, Vibrant and Attractive Downtown

For Release January 20, 2012

Sechelt, January 20, 2012 — The Sunshine Coast is a romantic destination by nature, and is the scene of countless carefully planned date nights, marriage proposals and amorous memories for many couples. Each year on Valentine's Day, intimate tables for two in candlelit bistros are booked solid, and chocolate shops and florists do brisk business. Jewellers work on custom pieces late into the night leading up to February 14th, and storefront windows are awash with red, pink, and symbols of love. It's an occasion for lovers, and traditional tokens of affection prevail: flowers, chocolate, jewellery, perfume, and indulgent dinners (Sechelt style, of course—ultra fresh and frequently locally sourced). The Coast is full of elegant and unforgettable experiences for couples, and for a classic Valentine's Day celebration, it's idyllic.

In anticipation of Valentine's Day, and in celebration of expressions of love, the Sechelt Downtown Business Association is holding a "Kiss on the Coast" photo contest, and awarding a romantic Valentine's Day prize package to the couple with the winning photo. Photos must be taken within the boundary of downtown Sechelt. The winner's package includes dinner, flowers, and a one-night stay at the Rockwater Secret Cove Resort. Runner-up prizes will also be awarded.

There are a multitude of picturesque places to snap romantic photos in downtown Sechelt! Photos should be emailed to the SDBA by February 12, 2012. All accepted photos will be posted in an online gallery on the SDBA website, and the winning couple will be notified on February 14, 2012. Full details and complete contest rules can be found at www.secheltdowntown.com.

For more information, please contact the SDBA Administrator, Cecilia Moonen, 604-885-9611 or sdba@dccnet.com.
